

Evacuation planning v.210526

Ellenholm och Vadensjö Jordbruk AB
Munkebäcks gård
Toftavägen 147, Asmundtorp

The basic rule of priority, when a fire occurs is that:

RESCUE the people who are in immediate danger.

WARN people in surroundings.

ALERT emergency services by dialing 112 (emergency) on the nearest telephone.

EXTINGUISH the fire if this is deemed possible. Refrain when in doubt. Close the fire.

EVACUATE premises through the nearest emergency exit, close the doors and windows on the way out and gather at the assembly point.

Assembly point at the field across from the office, see situation plan

Be prepared to answer the following questions during the contact with the SOS:

- What has happened.
- Which telephone number you are calling from.
- Where you are.
- Number of injured.
- Number of persons on the spot.

Evacuation leaders are Erik Gunnarsson and Bartłomiej Rataj. If none of them are in place the leadership role will be delegated to the top manager in place.
